TEN GALLONS OF GASOLINE at 20 cents amounts to \$2.00. Figuring twenty miles to the gallon, you get 200 miles at a cost of one cent per mile. TEN GALLONS OF DISTILLATE at 10 cents amounts to \$1.00. Figuring thirty miles to the gallon (which is conservative), you get 300 miles at a cost of one-third of one cent per mile.

The motorist can divide his fuel cost into three parts and pocket two of them, this claim being borne out by actual comparisons.

Golf Contest Is Getting Very Warm

Del Monte, Cal., June 21.—Six players still survive in the singles divisions of the annual Pacific Coast tennis tournament today.
In the women's department, Miss Marjorie Thorne and Miss Helen Baker have defeated all opponents and will clash for the women's title.
Four men are fighting it out for the men's singles championship. They are Clarence Griffin, Roland Roberts, Carlton Gardner and William Johnston.
Clarence Griffin figures prominently in this play until he met his brother, Peck, who carried too many guns, winning 6-2, 6-4. Johnston is the favorite to win the singles title.
Considerable interest is being manifested in the games between Griffin and Roberts, the new comet from the Golden Gate park courts. Roberts has

a dashing style of attack and a terrific serve, but many believe Griffin has too much experience for him.

Two Portland Girls Become War Brides

Portland, Ore., June 21.—Two war brides today stifled back tears as their uniformed husbands boarded trains for the mobilization camp of the Oregon National Guard.
Miss Margaret Ground chose a real military setting for her romance. She was married to Sergeant Ackley of Co. E at the armory. Regimental Chaplain Gilbert officiating. When her husband's company arrives at the border, Mrs. Ackley declares she will follow him.
Miss Pauline Henschke, the other war bride, was married to Private Charles Benton, of Co. C, less than 24 hours before Benton's company left for the mobilization grounds.

Go With Fred Fulton—
Other Sport News

Chicago, June 21.—A guarantee of \$40,000 for a 10-round bout with Fred Fulton of Minnesota, was still open to Jess Willard, world's heavyweight champion, today. Harry Sherman and James Connally, owners of boxing clubs in Minneapolis and St. Paul, were here today awaiting word from Tom Jones, Willard's manager. The offer was made a week ago and Jones has until today to decide.
Failing to hear from Jones or Willard, Sherman and Connally plan to go to New York to line up boxers for four round bouts.

But Few Stars.
New York, June 21.—The smallest field of stars ever to enter in the annual national open golf championship will be seen in action at the Minkabala club at Minneapolis, Minn., next Tuesday, entries filed at the United States Golf association offices showed today.

Fewer than the number required for a qualifying round will tee off and former Champions Quimet and Travers will be among the missing. Alex Ross, who won the open championship in 1907, is the only former champion entered.

SOMMERS KNOCKED OUT
Portland, Ore., June 21.—Lee Johnson of Oakland, and Muff Bronson, fought a six round draw here last night. Johnson was the aggressor throughout the bout, but missed frequently.
At Sommers, a local middleweight, put his jaw in front of a right cross in the sixth round, and Lowe Sims of California scored a knockout. Farmer Burns was given a decision over Joe Bonds of Tacoma. Burns weighed 175 and Bonds 200.

The Harvard-Yale Game.
Cambridge, Mass., June 21.—The Harvard and Yale baseball teams turned out early today to practice for the second game of their annual series, with Harvard getting slightly the better of it on the batting. Despite the fact that Mahan, star mound artist, is on the sick list, crimson followers predict victory this afternoon.

Yesterday's Results
At Portland—No game with Salt Lake, wet grounds.
At San Francisco—Oakland 6, Los Angeles 8 (12 innings.)
At Los Angeles—No San Francisco-Vernon game, Vernon traveling.

Oakland looked good for several innings but they couldn't stand the pace. Los Angeles won in the twelfth when Jack Ryan doubled and scored two men.

The Angels ran wild on the sacks, committing larceny at will while Frank Elliott, the juvenile Oak catcher, was almost helpless.

At least Oakland had the satisfaction of knocking Hogg out of the ninth, when they tallied thrice and tied the score.

It rained at Portland and Vernon didn't get to Los Angeles in time to play the Seals. So all the limelight on the coast was centered on San Francisco yesterday.

Yesterday's hero in the big leagues was Bauman of the Yanks. He made five hits in five times at bat.

The Indians struck a snag in Daus of the Tigers. The Detroit slabanman held the Clevelanders to two hits.

A double by Young in the pinch scored Veach from second, with the run that gave Detroit the game.

The Senators got only three hits off Dush of the Athletics. The latter, however was free with walls and two of the hits scored men who got on via the gift route and Washington won 2 to 1.

Old Eddie Plank went along nicely until the sixth against the White Sox when he blew up.

The Cardinals wound up a twelve inning slugfest with four runs in the final round. The Pirates were leading up to the ninth by two runs. A sudden onslaught cut down this lead and the Cardinals won out in the twelfth.

MEXICANS BRAG

(Continued From Page One.)

eral Funston today denied a report circulated that he had made a second request for militia to be sent to the border. He said the only request he has made was the one made public yesterday.

The war department has wired Funston to recruit four regiments of infantry and two of cavalry at once for regular service. Detailed instructions have been mailed. Recruiting will be started at once.

Reports have been received that Mexicans are assuming a threatening attitude at Ojinaga. Funston says they are "running around in circles, bragging about what they intend to do."

Official announcement was made that General Pershing has found no Mexican detachments moving at any point within a four day radius of communication. Pershing still has scouting parties out on both sides of the line.

General Parker, at Brownsville, reports he has no confirmation of the rumored massacre of Americans at the Correhulo mine, in interior Mexico.

Several big searchlights have arrived at Fort Sam Houston. Funston refused to say how many.

Militia to Move Soon.
San Antonio, Texas, June 21.—The majority of the 100,000 national guardsmen now mobilizing throughout the country will begin to move toward the Mexican border immediately their mobilization is complete, if the railroads are equal to the task of transporting them and their equipment.

The militia, under direct orders of General Funston will be distributed along the international line from the Gulf of Mexico to California at once. They will be assigned to patrol duty, releasing the entire force of regulars now engaged in that work for actual invasion of Mexico, in case war is declared. A large reserve of militia also will be stationed at Fort Sam Houston.

The actual number of guardsmen asked by Funston for immediate service is not known, but he indicated today that a large part of their total will be sent to the border as fast as they can be transported. He said the remainder will be called for in the event of hostilities.

All branches of the service will be included in the movement southward. But Funston declined to state just how the various units will be distributed as such knowledge would give the Mexicans a tactical advantage.

The states from which the first troops will be called are to be chosen by the war department, as Funston has expressed no preference in this respect. The biggest factor in any delay to be encountered by the militia will be in equipping them with horses and mules. This leads to the belief that the New York and Illinois regiments will be the first to move, as they are already well supplied with animals.

Sheriff Tobin with two automobile loads of deputies today left for a party of 18 miles west of here to hunt a party of armed Mexicans who forced Florencio Valdez and Manuel Lopez, American born Mexicans, to join them "to fight gringos."

"Broncho" Bob Hall, who originated bull-dogging a steer from an automobile, and who is the only man to successfully perform the trick. He will be seen in this act at the Philomath Round-Up, June 22 to 24, at Philomath.

Manuel Lopez, Jr., who begged not to be taken, as he had just been married. His father took his place. Young Lopez said the Mexicans told him they were going to organize a revolution in Texas.

Reports were received this afternoon that a posse of deputies and civilians have the bandits surrounded near the Astoria county line. Funston said that troops will take part in the hunt unless it is found the sheriff can handle the situation.

Mexican Trouble Has Bullish Effect

New York, June 21.—The New York Evening Sun financial review today said:

Wall Street appears to have made up its mind that whatever may be the issue of the present situation in connection with this government's Mexican relations, it is likely to have a bullish rather than a bearish influence.

The overnight news developments were not of a character to change sentiment to any appreciable extent and throughout the forenoon session the general list advanced from a fraction to one to two points or more. The Mexican issues and the metal stocks started the downward movement on receipt of news from Cuernavaca, Mexico, that the plan of the Greene-Cannana Copper company had been closed down and the employees conducted to the border.
